Dr. Parastou Najaf
Senior Emergency Manager, Mitigation/Recovery
Santa Clara County Office of Emergency Management
55 W. Younger Ave.
San Jose, CA 95110

Dear Dr. Parastou Najaf:

The *Santa Clara County Multijurisdictional Hazard Mitigation Plan 2023* has been amended to include the following jurisdictions as official planning participants:

- City of Campbell
- City of Cupertino
- City of Gilroy
- City of Los Altos
- City of Milpitas
- City of Morgan Hill
- City of Mountain View
- City of Palo Alto
- City of San Jose
- City of Santa Clara
- City of Saratoga
- City of Sunnyvale
- Mid-Peninsula Regional Open Space District
- Santa Clara County Fire District/Department
- Town of Los Altos Hills
- Town of Los Gatos

These jurisdictions must submit an adoption resolution to FEMA in order to be considered fully approved.

FEMA's approval of the *Santa Clara County Multijurisdictional Hazard Mitigation Plan 2023* remains for a period of five years from the original approval date of **February 8, 2024** for all approved participants. An updated list of the status of current participating jurisdictions is enclosed with this letter.

Prior to **February 8, 2029**, Santa Clara County and all participating jurisdictions are required to review and revise the plan to reflect changes in development, progress in local mitigation efforts, and changes in priorities, and resubmit it for approval in order to continue to be eligible for mitigation project grant funding.

The continued approval of this plan ensures Santa Clara County and all participating jurisdictions' continued eligibility for project grants under FEMA's Hazard Mitigation Assistance programs, including the Hazard Mitigation Grant Program, Building Resilient Infrastructure and Communities Program, and Flood Mitigation Assistance Program. All requests for funding, however, will be evaluated individually according to the specific eligibility, and other requirements of the particular program under which applications are submitted.

If you have any questions regarding the planning or review processes, please contact the FEMA Region 9 Hazard Mitigation Planning Team at fema-r9-mitigation-planning@fema.dhs.gov.

Sincerely,

Alison Kearns
Planning and Implementation Branch Chief
Mitigation Division
FEMA Region 9
