200

What is that estimate based on?

In the past we've counted 350+ people at our ice cream social our events and we believe this covers about 200 households.

Based on your best estimate, how many households are within your geographic area of focus?

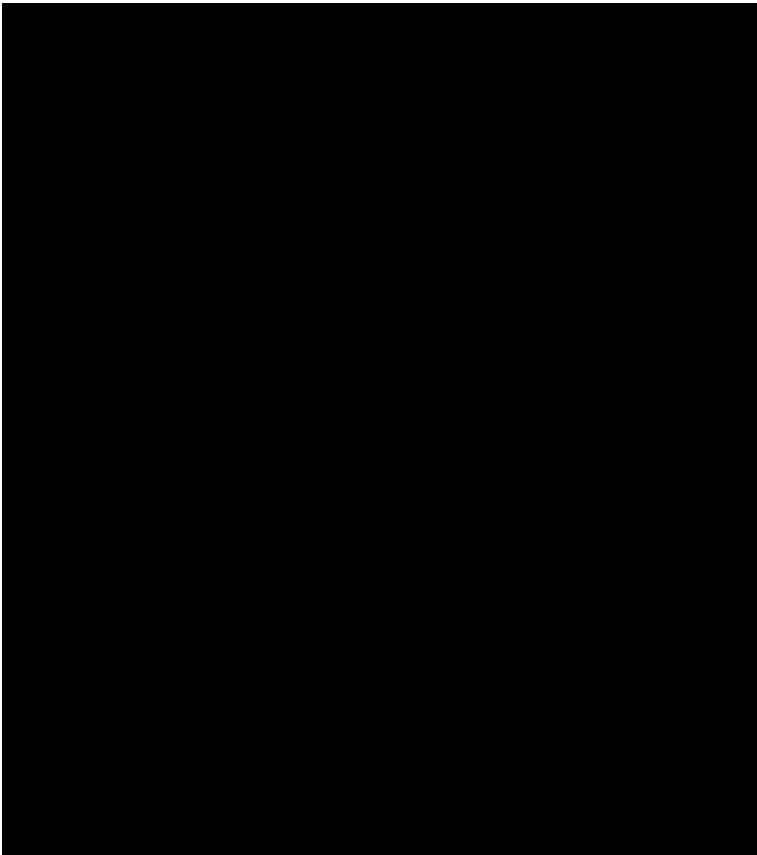

500

Neighborhood Grants Application FY25-26

Submitted by: Anonymous user

Submitted time: Mar 31, 2025, 10:14:25 PM

Section 1: About the Applicant

What is your role in this group/association?

President

Section 2: About the Group or Association

Name of Neighborhood Group/Association

Cuesta Park Neighborhood Let Grow Play Club

Has the group/association received funding from the Neighborhood Grant program previously?

No

This is a place-based grant program meant to serve communities at a neighborhood level. Please draw a shape on the areas your group/association focuses on.

Area: 317.12 Acres

County of Santa Clara, California State Parks, Esri, TomTom, Garmin, SafeGraph, GeoTechnologies, Inc, METI/NA... Powered by Esri

If your geographic area of focus overlaps with an existing group's area, tell us more about what is special about your group (e.g. addressing a specific need).

The purpose of the Play Club is to connect like-minded parents in the Cuesta Park Neighborhood who prioritize independence in our school-aged children. The Let Grow Play Club will meet at Bubb Park 1-2x/month, as a dedicated time and space for unstructured play time for neighborhood kids. The idea is for the kids and parents to connect, so that families feel comfortable letting their children play together in the neighborhood independently and spontaneously, in addition to Play Club meetups.

Would you be interested in collaborating with other groups/associations in your area?

Not Sure

Group/Association Leadership

Name

Christiana Quinn

Total Anticipated Project Budget

550

Amount Requested from Neighborhood Grant program:

550

What do you plan to use the grant funds for?

-Outdoor toys/activities such as:

frisbees, hula hoops, jump ropes, stepping stones, sand toys, sidewalk chalk, bubbles, jumbo lawn games, kickballs, etc.

-Storage bins for above materials

Section 4: Request Summary

Total Amount of Funding Requested

550

How many unique households do you think this funding request will serve?

20

What is that estimate based on?

That number is based on members in the Cuesta Park Neighborhood Independent Play GroupMe chat, as well as other responders to an initial interest email that I sent out to the Cuesta Park neighborhood email group. My hope is to grow the Play Club to about 30 participating families.

I don't know how many households live in the entire Cuesta Park neighborhood. I got the number of 1400 households (answering below) from a realtor website.

Based on your best estimate, how many households are within your geographic area of focus?

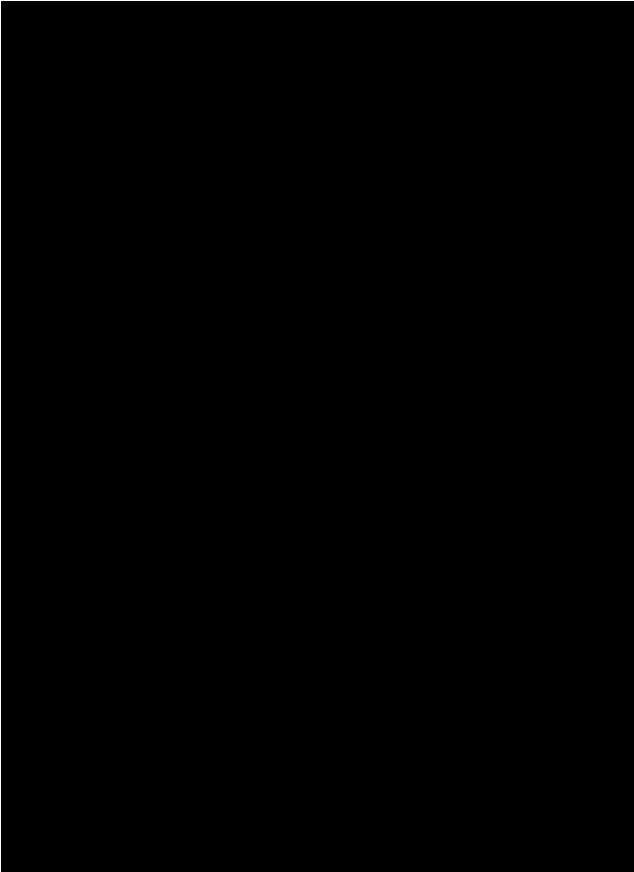

1,400

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Dutch Haven Neighborhood Block Party

Brief Project Description:

The spring/summer block party is an annual tradition in our neighborhood for 15+ years. We often combine a bbq with potluck dishes and a dessert contest with prizes, some games, a bouncy house for the kids, and occasionally a visit from the police or fire department. In recent years, there has been a live band, The Villa Nuevers, comprised of members from the neighborhood. We update our neighborhood mailing list and directory and it's a great way for newcomers to meet folks.

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Ice Cream Social

Brief Project Description:

Our Annual Ice Cream Social will once again provide an opportunity for neighbors to gather and celebrate the close of summer. This event is designed to promote community engagement across all age groups. We were pleased with the success of last year's event, which included a visit from the Mountain View Fire Department, and anticipate another successful gathering this year.

Snow Cone Vendor

Section 4: Request Summary

Total Amount of Funding Requested

3,200

How many unique households do you think this funding request will serve?

1,600

What is that estimate based on?

As our neighborhood continues to grow, we're dedicated to expanding our community engagement efforts. To that end, we've developed estimated costs for a live music/speaker event and block parties, building upon our successful experiences with past Ice Cream Socials and Easter Egg Hunts. This data-driven approach allows us to plan effectively and ensure these new events meet the needs of our expanding community.

Based on your best estimate, how many households are within your geographic area of focus?

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Spring/Summer Block Party

Brief Project Description:

Our neighborhood block parties are generally centrally located within the neighborhood and managed by different people. Some years we opt to have 2 smaller scale events like a pizza party and an ice cream social. Paper flyers with event and contact info. are distributed to each house. We also post to NextDoor. In the past we've had great attendance and many new faces. The grant covers most of the food and entertainment and residents provide games/art activities and potluck items as well.

If your geographic area of focus overlaps with an existing group's area, tell us more about what is special about your group (e.g. addressing a specific need).

There is no overlap. My hand isn't steady enough to manipulate the available drawing tools on the map. Our geographic area is the New Frontier Mobile Home Community at 325 Sylvan Ave.

P.S.

We are currently collaborating with the folks next door at Sunset Estates. They have helped us by sharing their experience, and we may do some joint events in the future.

Would you be interested in collaborating with other groups/associations in your area?

Yes

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Asian Celebration

Brief Project Description:

Chinese New Year or similar Asian Holiday Celebration. The draw here would be an exploration of cultural heritage by sharing their music, dance, or stories. (Members of the committee were excited to attend such an event. It was felt that many others in our community would want to attend, as well.)

Food, Entertainment.

Section 4: Request Summary

Total Amount of Funding Requested

1,433

How many unique households do you think this funding request will serve?

141

What is that estimate based on?

We have 141 households in our community. We encourage everyone to attend via the newsletter, flyers, and word of mouth. (Past experience suggests that major events with food typically bring between 90 and 120 people, according to Park Management.)

Based on your best estimate, how many households are within your geographic area of focus?

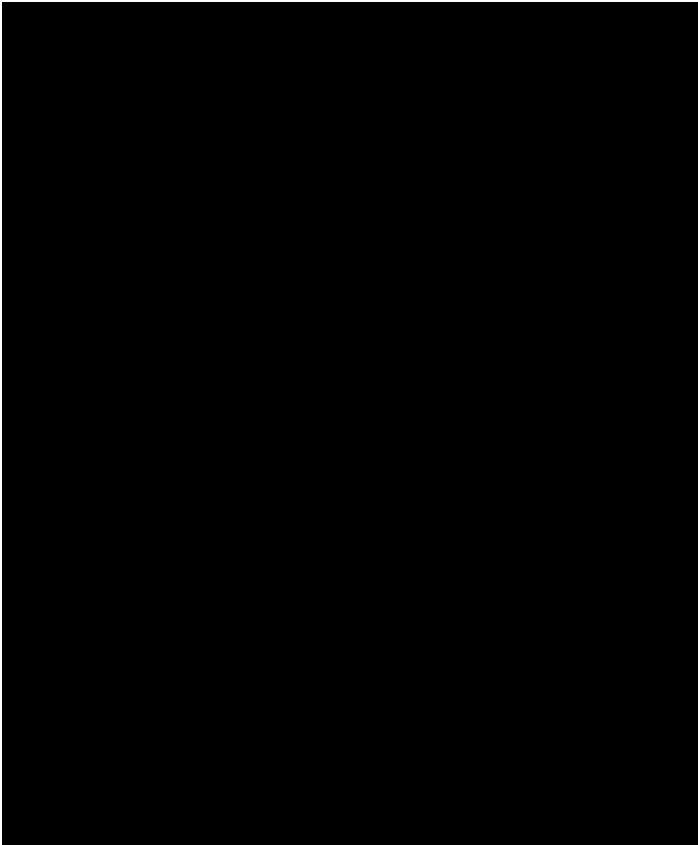

141

Community Event - *Examples: block parties, picnics, ice cream socials*

Project/Event Name (e.g. Pumpkin Carving Event):

MTV Eventors

Brief Project Description:

This project was developed to provide a series of low key, low cost social events, designed to bring members of the community together where they could meet others and discuss issues of importance to the community in small groups or one-on-one, and acquaint them with OMVNA and its activities and its officers. These events are intended to attract 10-50 persons, and are designed for substantial involvement by children and young adults. We hope to have as many as 5-6 events of this type per year.

Grant Request

Type of request:

Other

Project/Event Name (e.g. Pumpkin Carving Event):

Multiple events - Coffee Klatsches, Ice cream socials, holiday events, newsletter, etc.

Brief Project Description:

Multiple Community Events and projects for Neighborhood Group association building

Name

Bee Hanson

Name

Tich Jones

Name

Alex Brown

Name

Charlie Pope

Total Anticipated Project Budget

1,333

Amount Requested from Neighborhood Grant program:

1,333

What do you plan to use the grant funds for?

We plan to use the grant funds to put on the same activities and events as last year. The funds will be used for supplies, food, decorations, our website, a newsletter, and possibly an online Zoom meeting. Additional bakery items will be provided by neighbors. We also always have at least 5 volunteers who help set up and contribute to the events.

We will exceed the allocation, but we plan to cover the overage again with personal donations from the board.

Section 4: Request Summary

Total Amount of Funding Requested

1,333

How many unique households do you think this funding request will serve?

358

What is that estimate based on?

There are 358 homes in our park. But there are 702 homes in our geographic area of focus.

- **358: Santiago Villa Neighborhood Association**
- **100: La Avenida Apartments (not populated)**
- **244: Pear Village (1/3 rented)**

702 Total, but we are not claiming Tier B.

In the future, we will add 244 homes now under construction in the Sobrato north parcel, and whatever new homes Google decides to build on Shorebird. Because of their recent downturn, that number is unknowable.

Based on your best estimate, how many households are within your geographic area of focus?

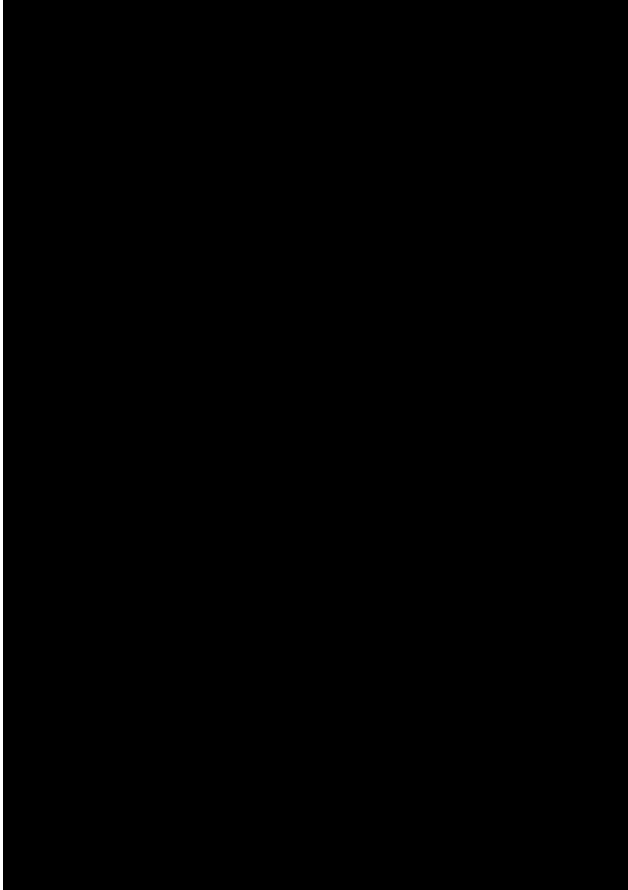

702

Azucena Castañon

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Christmas Around the World

Brief Project Description:

We will have 4 stands creating and showing holidays in 4 different countries:

Mexico

China

Guatemala

Perú

Name

Paula Perez

Name

Mauricia Garduza

Name

Blandina Diaz

Name

Azucena Castañon

Total Anticipated Project Budget

2,200

Amount Requested from Neighborhood Grant program:

2,200

What do you plan to use the grant funds for?

Each stand needs a budget of \$550 for decorations and traditional delicacies to giveaway to the people that visit us, as is accustomed in our countries, and also to buy materials for Christmas art and handcrafts activities.

Section 4: Request Summary

Total Amount of Funding Requested

2,200

How many unique households do you think this funding request will serve?

300

What is that estimate based on?

Last year the group served more than 1000 event attendants. Each stand brought activities and snacks for 400 people and everything ran out. We still had families arriving with children and we didn't have more materials for the activities.

Note: we indicted 300 families but it is possible that there were more because this is a community event for the whole city and families from all the zip codes participate.

Based on your best estimate, how many households are within your geographic area of focus?

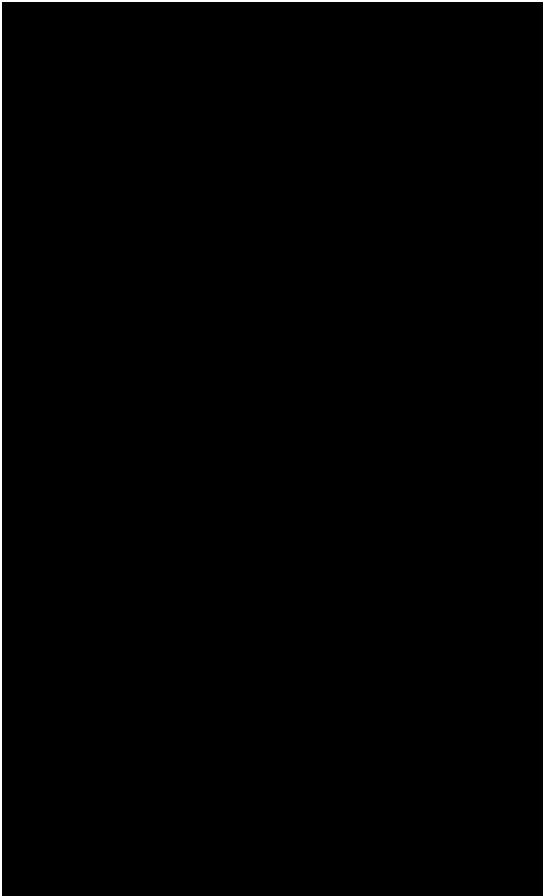

300

Total Anticipated Project Budget

600

Amount Requested from Neighborhood Grant program:

600

What do you plan to use the grant funds for?

Provide an opportunity for residents to get to know their neighbors, share resources, and build a sense of community.

- 1) A neighborhood archive/history project**
- 2) Game nights**
- 3) We would like to have discussions on Neighborhood Watch as it is an important aspect of a safe and secure neighborhood.**
- 4) Book club**
- 5) Of course we will organize some fun activities during the gathering. The exact activities will be discussed during the game nights or organization committee meetings.**

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Ice cream social

Brief Project Description:

Provide scoop of ice cream from Baskin Robbins, special guests from MVPD and MVFD. Neighbors have a chance to meet each other and interact with law enforcement and fire fighters. This has always been a very popular activity.

733

What do you plan to use the grant funds for?

Purchase Ice cream and cones

Section 4: Request Summary

Total Amount of Funding Requested

1,333

How many unique households do you think this funding request will serve?

50

What is that estimate based on?

Our last ice cream social was very popular and we used tickets to help count the number of scoops. We also asked folks to identify their homes on our neighborhood map so we got a estimate that way.

Based on your best estimate, how many households are within your geographic area of focus?

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

57th Annual Holiday Party

Brief Project Description:

In 2022 the Owner said he could not afford this annual event which had more than 100 in attendance. We had to charge in 2022, and only had 45 in attendance. If awarded this grant we will be able to offer it free again :). We are happy to say that with the support of this grant in 2024, we had over 80 residents attend and delivered food to around 10 that weren't physically able to join us at the clubhouse.

Name

LaVonne Hand

Name

Leslie Solomon

Name

Kate Lemieux

Total Anticipated Project Budget

750

Amount Requested from Neighborhood Grant program:

750

What do you plan to use the grant funds for?

We plan to use the funds to cover the food costs for the event. While it might not be enough to cater the event so that the board members can fully participate in the event socializing with neighbors, the grant has allowed us to purchase nicer foods and not charge neighbors for attending.

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Summer Bash

Brief Project Description:

This event, also hosted by the homeowners association board members, happens in late August. During this event we set up tables by the pool and provide refreshment. Last year we provided chicken and pizza and had more than 80 attend thanks to the grant covering the cost and making it free. When we charged for the event we had about half as many attend. Many of the residents in the 55+ park are on fixed incomes and have strict budgets.

Name

Joan Brodovski

Name

LaVonne Hand

Name

Name

Kate Lemieux

Total Anticipated Project Budget

250

Amount Requested from Neighborhood Grant program:

250

What do you plan to use the grant funds for?

We plan to use the grant funds to fully cover the food for the event. Like the Holiday Party if possible we would like to not have to personally prepare food so that the board members can stay out of the kitchen and socialize with neighbors.

Type of request:

Neighborhood Group/Association Capacity Building - *Neighborhood group/association incorporation fees, meeting rental space, member recruitment ads, website hosting, newsletters, video call-hosting subscriptions*

Project/Event Name (e.g. Pumpkin Carving Event):

Flier printing for the 144 homes

Brief Project Description:

We deliver fliers to each home to help ensure everyone is aware of the upcoming events. We do this monthly to promote the events happening.

Name

Joan Brodovski

Name

LaVonne Hand

Name

Leslie Solomon

Joan Brodovski

Name

LaVonne Hand

Name

Leslie Solomon

Name

Kate Lemieux

Total Anticipated Project Budget

150

Amount Requested from Neighborhood Grant program:

150

What do you plan to use the grant funds for?

Pay the fee charged by the publisher. The owner stopped paying after rent control was enacted.

Type of request:

Neighborhood Group/Association Capacity Building - *Neighborhood group/association incorporation fees, meeting rental space, member recruitment ads, website hosting, newsletters, video call-hosting subscriptions*

Project/Event Name (e.g. Pumpkin Carving Event):

Directory Production

Brief Project Description:

We produce a directory of owners each year to facilitate communication.

Name

Joan Brodovski

Name

LaVonne Hand

Name

Leslie Solomon

Name

Kate Lemieux

Total Anticipated Project Budget

60

Amount Requested from Neighborhood Grant program:

60

What do you plan to use the grant funds for?

Cover the costs of printing the directory and also purchasing replacement covers if needed. Last year we provided each home a reusable report cover to help reduce annual costs as the directory previously cost more than \$200 each year.

Section 4: Request Summary

Total Amount of Funding Requested

1,333

How many unique households do you think this funding request will serve?

144

What is that estimate based on?

We use flyers, email, and our magazine to promote events and do offer delivery. While we probably will realistically serve 80 based on last year, I hope that more neighbors will partake.

Based on your best estimate, how many households are within your geographic area of focus?

Total Anticipated Project Budget

115

Amount Requested from Neighborhood Grant program:

115

What do you plan to use the grant funds for?

\$75 - paint and other materials

\$40 - light refreshments for the event

Section 4: Request Summary

Total Amount of Funding Requested

2,667

How many unique households do you think this funding request will serve?

450

What is that estimate based on?

The estimate is based on the attendance at our social events, especially the Pumpkin Festival and Ice Cream Social. Historically attendance has been good but was reduced during the years of the COVID epidemic. However attendance has now recovered; the Pumpkin Festival last October and our recent Community Breakfast both had their the best turnouts ever. We are seeing more families with children which may reflect the establishment of the new Vargas Elementary School nearby.

Based on your best estimate, how many households are within your geographic area of focus?

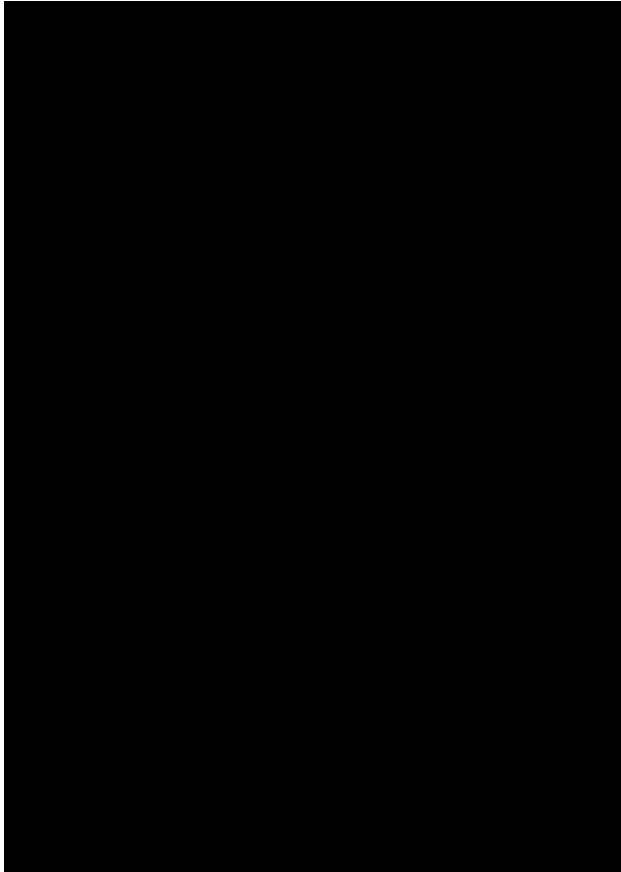

1,100

Neighborhood Grants Application FY25-26

Section 3: About the Grant Request

Grant Request

Type of request:

Community Event - Examples: block parties, picnics, ice cream socials

Project/Event Name (e.g. Pumpkin Carving Event):

Mid-Autumn Celebration

Brief Project Description:

The Mid-Autumn Festival is a traditional festival in China celebrating harvest and family. We would like to introduce this festival to our neighborhood. The event will take place in September or October 2025 in Cooper Park and open to everyone in the Waverly Park neighborhood. It will include food, crafts, and games for adults and children. It will be a great opportunity for the neighborhood to get together and get to know each other, learn about different cultures and celebrate our diversity.
