AN ORDINANCE OF THE CITY OF MOUNTAIN VIEW
AMENDING CHAPTER 36 (ZONING) OF THE MOUNTAIN VIEW CITY CODE
TO UPDATE REVIEW PROCEDURES FOR PRIVATE DEVELOPMENT APPLICATIONS WITH
LEGISLATIVE AMENDMENTS TO ZONING, GENERAL PLAN, AND PRECISE PLANS AND
FINDING THAT THE AMENDMENTS ARE EXEMPT FROM REVIEW UNDER THE
CALIFORNIA ENVIRONMENTAL QUALITY ACT

WHEREAS, on June 13, 2023, the City Council adopted the Fiscal Years 2023-24 and 2024-25 Council Work Plans, which include a priority project to update procedures for private development projects with proposed legislative amendments to Zoning, General Plan, and Precise Plan designations, maps, and adopted regulatory documents (referred to as “Gatekeeper” projects); and

WHEREAS, the City Council discussed and provided direction to staff on procedural updates for Gatekeeper projects at hearings on September 12, 2023, December 5, 2023, and January 23, 2024, which require Council-initiated amendments of Chapter 36 (Zoning) of the City Code and adoption of a new Council Policy; and

WHEREAS, procedures set forth in Chapter 36 (Zoning), Article XVI (Zoning Administration), Division 13 (Zoning Amendments), of the Mountain View City Code, whereby the City can amend Chapter 36, have been executed; and

WHEREAS, Chapter 36 (Zoning) of the City Code requires that both the City’s Environmental Planning Commission and City Council hold duly noticed public hearings regarding any proposed amendments to Chapter 36 (Zoning); and

WHEREAS, the Environmental Planning Commission held a duly noticed public hearing on September 17, 2025 on said proposed amendments and voted 5-0 to recommended City Council adoption of amendments to Chapter 36 to update review procedures for Gatekeeper projects; and

WHEREAS, the City Council held a duly noticed public hearing on October 14, 2025 on this Ordinance and received and considered all information, documents, and comments presented at said hearing regarding amendments to Chapter 36, including the recommendation from the Environmental Planning Commission, the City Council report, and report materials; now, therefore,

THE CITY COUNCIL OF THE CITY OF MOUNTAIN VIEW DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Findings. The City Council hereby makes the findings for text amendments to Chapter 36 (Zoning) pursuant to Section 36.52.70 (Findings) of the City Code:

a. **The proposed amendment is consistent with the General Plan.** The proposed amendments are consistent with Council Policy G-9 (Gatekeeper Application Policy and Procedures) and the General Plan Housing Element because the project implements Subtask f of Policy Program 1.3 identified in the Sixth Cycle 2023-2031 Housing Element. Making amendments to the City Code to implement Council Policy G-9 will help increase housing opportunities, including affordable housing, and allow for a thorough planning process with community input for projects that request amendments to the General Plan;

b. **The proposed amendments would not be detrimental to the public interest, health, safety, convenience, or welfare of the City.** The proposed amendments would not be detrimental to the public interest, health, safety, convenience, or welfare of the City because these amendments implement Council Policy G-9 and Subtask f of Policy Program 1.3 identified in the Sixth Cycle 2023-2031 Housing Element, which will not impact the public health and welfare of the community as it is intended to increase the properties available for housing projects while creating a thoughtful and transparent process to evaluate development projects that are requesting General Plan, Precise Plan, and/or Zoning amendments while considering the benefits to the community's economic and social well-being;

c. **The proposed amendments are internally consistent with Chapter 36 (Zoning) of the Mountain View City Code.** The proposed amendments are internally consistent with Chapter 36 (Zoning) of the Mountain View City Code because these amendments implement Council Policy G-9 and Subtask f of Policy Program 1.3 identified in the Sixth Cycle 2023-2031 Housing Element, which aim to reduce constraints on residential developments and create a process that is easily understood for both staff and the community; and

d. **The proposed amendments are in compliance with the provisions of the California Environmental Quality Act (CEQA).** Adoption of the proposed amendments is exempt from environmental review pursuant to CEQA Guidelines Section 15061(b)(3). The activity is covered by the general rule ("common sense" exemption) that exempts activities that can be seen with certainty to have no possibility for causing a significant effect on the environment. The project involves amendments to the City's Gatekeeper process that would not have the potential to cause a significant physical effect on the environment. The proposed amendments are intended to implement Council Policy G-9 and the City's adopted Sixth Cycle Housing Element program and to add transparency to the Gatekeeper process for both the City and project applicants. No physical development is proposed as part of the project, and the City would conduct environmental review in compliance with the provisions of CEQA on future Gatekeeper projects.
