HERITAGE TREE REMOVAL APPLICATION: 1580 MEADOW LANE

Dear Brad,

Your request to remove **one (1) private Deodar Cedar** tree has been denied after a field inspection and review by the Urban Forestry Division.

Your removal request is defined by the City Ordinance, Article I, in accordance with the Mountain View City Code, Article II, Section 32.35, Paragraph (1) which states:

1. The condition of the tree with respect to age of the tree relative to the life span of that particular species, disease, infestation, general health, damage, public nuisance, danger of falling, proximity to existing or proposed structures, and interference with utility services.

Following the Forestry staff's inspection, it was observed that the heritage tree does not fit the criteria for removal.

This decision has been posted on the property. Please refer to the enclosed Heritage Tree Notice for an explanation of the appeal process.

If you have any questions, please call this office at (650) 903-6273.

Sincerely,
