**SILICON VALLEY READS 2026**

Each year, [Silicon Valley Reads](#) brings Mountain View together with neighboring Santa Clara County libraries and community organizations to explore a theme designed to inspire conversations on meaningful topics.

This year's theme is "Bridges to Belonging." The Library invites residents to read the featured books and participate in special events to explore the importance of connection, empathy, and community as we collectively find ways to build and strengthen our relationships with one another.

**Featured Books for 2026:**

- [The Power of Bridging: How to Build a World Where We All Belong](#) by John A. Powell
- [Mainline Mama](#) by Keeonna Harris
- [Unlikely Animals](#) by Annie Hartnett

**Companion Books for Children and Teens:**

- [Thank You, Neighbor](#) by Ruth Chan (Pre-K through new readers)
- [Together, A Forest](#) by Roz MacLean (elementary)
- [Front Desk](#) by Kelly Yang (middle grades)
- [Give Me a Sign](#) by Anna Sortino (high school/young adult)

**The Library will hold two special programs for Silicon Valley Reads in February:**

- From protest anthems to grassroots organizing, Hip Hop has long been a force for political change. In a presentation on [Wednesday, Feb. 18](#), award-winning journalist, talk show host, professor, DJ, media justice, and community activist Dave "Davey D" Cook will examine how artists and activists are using music to challenge injustice, mobilize voters, and redefine political engagement in the digital age, ensuring that the culture remains a powerful force for systemic change.

- Residents are invited to a hands-on workshop exploring traditional Korean mother-of-pearl lacquer art on [Tuesday, Feb. 24](#). Participants will learn about ottchil (traditional Korean lacquer) and mother-of-pearl—natural materials used in Korean craftsmanship for centuries—while creating their own decorated chopsticks. This program offers a calm, creative experience that connects history, culture, and personal expression through guided making.

### **WIRELESS PRINTING**

The Library now offers wireless printing. After downloading the SPOT Global Print app and completing basic setup procedures, customers can print directly from their personal devices. Regular printing fees apply. Customers do not need to have a library account to print if paying with cash.

### **FREE TAX PREPARATION ASSISTANCE**

The Library is offering [free tax preparation help](#) every Tuesday and Saturday from February 3 through April 11, 2026. This service is provided by IRS-certified volunteers and is available to households with a 2025 income of \$69,000 or less. Help will be provided on a walk-in basis only.

### **BABY STORYTIME: RERUN**

To better serve families and address the growing popularity of Baby Storytime, the Library has added a [Baby Storytime: Rerun](#) program on Friday mornings. This additional session features the same content as the Wednesday program and is intended to help reduce crowding while offering greater flexibility for families who are unable to attend midweek. By expanding this early literacy offering, staff aim to create a more comfortable experience for participants and increase access to one of the Library's most in-demand programs.

### **SEW SEW SATURDAYS**

In keeping with the City of Mountain View's strategic priority of Sustainability & Climate Resilience, the Library has recently rebooted [Sew Sew Saturdays](#), a drop-in program where customers can use one of the Library's Baby Lock sewing machines to stitch clothing, hem garments, and work on simple sewing projects. Volunteers are available to assist novice sewers or troubleshoot the machines as needed.

A popular program before the pandemic, Sew Sew Saturdays began in December 2013, shortly after the Library first purchased its sewing machines through a Pacific Library Partnership grant, and saw consistent attendance through 2019. While the Library also offers structured sewing craft programs through its partnership with FabMo, providing wider access to its sewing machines has been met with renewed interest from the community.

Sew Sew Saturday occurs on the first Saturday of every month from 2:00-4:00 p.m. in the Library's Second Floor Program Room.

### **FRIENDS OF THE LIBRARY BOOK SALE**

The [Friends of the Mountain View Library](#) will hold a Book Sale the weekend of Jan. 31 to Feb. 1. Residents are invited to find great bargains on gently used books for adults and youth, DVDs, CDs and more. Funds raised will support Library programs.

Saturday, Jan. 31:

9:30-10:30 a.m. Members-Only Sale.

10:30 a.m.-4:00 p.m. General Public Sale.

Sunday, Feb. 1:

11:00 a.m.-4:00 p.m. Fill-a-Bag Sale.

The Book Sale will take place in the bookmobile garage along Mercy Street in the driveway next to the Library's underground parking lot.

### **PROGRAMS**

#### **Past Program Highlights**

Forty kids and adults attended the Amplify: Ringo Crafts program to make a variety of winter-themed crafts, including origami snowmen, yarn wreaths, and cork reindeer. This event was part of the [Amplify: Teen Voices](#) program.

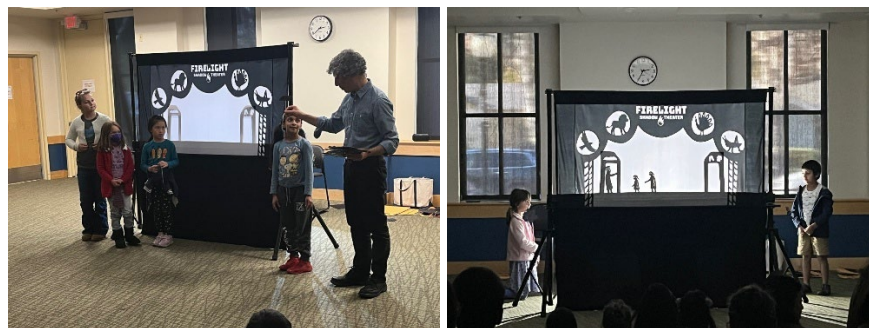

A full house of 71 attendees enjoyed the Bel Canto Flutes concert, where the all-flute ensemble played a variety of tunes, including medieval pieces, Hanukkah and Christmas carols, a lively Sleigh Ride Samba, and more. This event was generously sponsored by the Friends of the Mountain View Library.

Mrs. Claus and the Library Elf visited the Community Tree Lighting Celebration and shared holiday-themed books, songs, and rhymes to 177 attendees across two storytimes.

Artist Daniel Barash of Firelight Shadow Theater introduced attendees to the art of shadow puppetry and performed five fast-paced versions of best-loved folktales from around the world, including the tale of Hanukkah and an old Ukrainian folktale that is retold in Jan Brett's [\*The Mitten\*](#). This event was generously sponsored by the Friends of the Mountain View Library.

Thirty-one participants got into the holiday spirit by practicing seasonal songs on the ukulele at the Winter Holiday Yule-kulele Jam. This event was generously sponsored by the Friends of the Mountain View Library.
