

# Attachement C

Parking data was collected from:

- May 3 to May 9, 2025

- February 27 to March 9, 2025

- September 19 to September 21, 2024

- October 16 to 17, 2024

<b>TOTALS</b>	<b>60</b>	<b>24</b>	<b>17</b>		<b>57</b>	<b>35</b>	<b>22</b>

\*The demand for parking reflects the highest number of parked cars observed during the data collection period.

\*\* This number will increase during the design phase when Segment A and B will be merged.
