5. KEY PROJECT UPDATES

5.1 US 101/Rengstorff/San Antonio Interchange Improvements

VTa Senior Transportation Engineer Chatradhi provided a presentation on the U.S. 101/Rengstorff/San Antonio Interchange Improvements.

VTa Senior Transportation Engineer Chatradhi and WMH Corporation Senior Project Manager Gibson responded to Committee questions regarding which milestones are funded, how the project will affect the Shoreline Bridge, and where the most recent project information can be accessed.

There were no public speakers in-person or virtually.

6. NEW BUSINESS

6.1 Active Transportation Plan-Scoring Criteria and Holistic Network Maps

Transportation Planner Whyte provided a presentation on the Active Transportation Plan – Scoring Criteria and Holistic Network Maps.

Transportation Planner Whyte, Assistant Public Works Director Boyer, Principal Civil Engineer Gonzales, Transportation Manager Lo, and Public Works Director Ng responded to Committee questions about improved versus unimproved roads, how neighborhood streets are considered in the network, what defines “comfort” in the Scoring Criteria Overview, and how scoring criteria will be used. The Committee sought clarification on what multi-use facilities are, what off-street bikeways are, and if there is a difference between the two. The Committee also asked staff if the adopted vision statement can be revised.

The following members of the public spoke:

(Virtual) Valerie
(Virtual) April Webster
(Virtual) Cliff Chambers

The Committee would like the Active Transportation Plan vision statement to align with its scoring criteria. They are open to vision statement modifications, and staff should plan to include the City Council for discussion and approval.
