CITY PROJECTS

19. **Downtown Precise Plan Comprehensive Update:** The update project includes a comprehensive update to the Downtown P(19) Precise Plan to align the plan to the City's vision for downtown. The update includes developing objective development standards, evaluating current design standards, land uses, parking, signage regulations, and other strategies. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.

In November 2023, the City Council provided direction on the scope of work items. City staff is currently reviewing consultant proposals and will return to the City Council for final scope of work approval in Q2 2024. For further details, please refer to the project webpage: [Downtown Precise Plan Comprehensive Update](#).
